#### **4.4. (Rule 4.4) Answers**

The answer must admit or deny each material allegation in the complaint and shall set forth any new matter constituting a defense. Its purpose is to fully advise the complainant and the Commission of the nature of the defense. At least one of the defendants filing an answer must verify it, but if more than one answer is filed in response to a complaint against multiple defendants, each answer must be separately verified. (See Rule 1.11.)

The answer should also set forth any defects in the complaint which require amendment or clarification. Failure to indicate jurisdictional defects does not waive these defects and shall not prevent a motion to dismiss made thereafter.

The answer must state any comments or objections regarding the complainant's statement on the need for hearing, issues to be considered, and proposed schedule. The proposed schedule shall be consistent with the categorization of the proceeding, including a deadline for resolving the proceeding within 12 months or less (adjudicatory proceeding) or 18 months or less (ratesetting or quasi-legislative proceeding). (See Article 7.)

Answers must include the full name, address, and telephone number of defendant and the defendant's attorney, if any, and indicate service on all complainants.

#### **4.5. (Rule 4.5) Expedited Complaint Procedure**

(a) This procedure is applicable to complaints against any electric, gas, water, heat, or telephone company where the amount of money claimed does not exceed the jurisdictional limit of the small claims court referenced in Pub. Util. Code § 1702.1.

(b) No attorney at law shall represent any party other than himself or herself under the Expedited Complaint Procedure.

(c) No pleading other than a complaint and answer is necessary.

(d) A hearing without a reporter shall be held within 30 days after the answer is filed.

(e) Separately stated findings of fact and conclusions of law will not be made, but the decision may set forth a brief summary of the facts.

(f) Complaints calendared under the Expedited Complaint Procedure are exempt from the categorizing and scoping requirements of Article 7 and the requirements of Article 8 regarding communications with decisionmakers and Commissioners' advisors.

(g) The Commission or the presiding officer, when the public interest so requires, may at any time prior to the filing of a decision terminate the Expedited Complaint Procedure and recalendar the matter for hearing under the Commission's regular procedure.

(h) The parties shall have the right to file applications for rehearing pursuant to Section 1731 of the Public Utilities Code. If the Commission grants an application for rehearing, the rehearing shall be conducted under the Commission's regular hearing procedure.

(i) Decisions rendered pursuant to the Expedited Complaint Procedure shall not be considered as precedent or binding on the Commission or the courts of this state.
